

Soyabean Oil is a versatile cooking oil made from high-quality soybeans. Mild in taste, high in good fats, and with a high smoke point, it's perfect for frying, sautéing, baking, and industrial food production. Ideal for homes, restaurants, and food processors, it ensures consistent cooking results

Product code	ODOD-0547
Category	Edible Oils & Ghee
MOQ	500 kg in packed formats; 1 x 20ft container for flexitank or drum bulk shipments
