## Idli Rava / Rice Rava

Specification sheet · typical values · issued 2026-10-10

Idli Rava is a coarse-ground rice product used to prepare traditional South Indian idlis with a soft, fluffy texture. Made from premium-quality parboiled rice, Idli Rava ensures consistent batter results and uniform steaming every time.

|                    |                                                                                                                                                                                                                                                                |
